High School Nine Week Exam Schedule

1st 9 Weeks

Our first nine weeks ends on October 13, 2017. Posted below is a schedule showing when each period nine-week exam will be given. *We will be running a regular schedule these days.* The day prior to the nine-week exam will be a review but all other classes will continue and be regular instructional days. No extra homework or tests will be given these days to allow the students to focus on studying for their 9 week exams.

If a student is absent during an exam and it is an excused absence per the handbook, the student must make up the exam within two days of his/her return. Exam make-ups will be scheduled AFTER school with a designated faculty member. The student will receive an incomplete on his/her report card until make-ups are complete.
